

Meet **our** Directors

Josh Stewart, Arterra Wines Canada

Josh Stewart is the Vice Chair of our Board of Directors and has been working in the alcohol industry for nearly a decade in beer, wine and cider. Josh says what excites him most about being on the WGBC Board is the chance to connect with BC producers to learn about the challenges and opportunities they're facing and work together as an industry to push our collective interests forward.

Josh is a firm believer in the untapped and unlimited potential of the BC wine industry and wants to make sure we have the best policies and strategies in place to reach this potential.
